**BELIEVE THERE IS GOOD
IN THE WORLD**

You've just received a
**RANDOM ACT
OF KINDNESS**

*"People will forget what you said, people will
forget what you did, but people will never forget
how you made them feel." —Maya Angelou*

Now it's your turn. Do something good and unexpected for someone. Leave this card when you do. Let's color the world with beauty and love! On the 6th of each month, by modeling her unwavering kindness and loyalty, we remember and, sometimes, introduce our friend, sister, mommy, daughter, aunt, cousin Misty Lei, who will live on as long as we continue to say her name and hold space for her in our hearts.
